Rio De Janeiro, Brazil

Rio de Janeiro is one of those rare places that must be experienced to understand the spell it casts on all who visit. Rio is Brazil's vibrant metropolis, captivating everyone with its electrifying energy and striking natural beauty. Nestled between lush mountains and sparkling beaches, the city boasts iconic landmarks like Christ the Redeemer and Sugarloaf Mountain, offering breathtaking panoramic views.

Ilhabela, Brazil

Ilhabela's charm lies in its ability to offer an exquisite blend of history, ecotourism, and refined indulgence, appealing to those who want a blend of culture and nature, set against the backdrop of Brazil's stunning coastline. The historic city - literally translated as 'Beautiful Island' - is painted with tales of Portuguese colonization and pirate legends. Pristine beaches, dense rainforests, and shimmering waterfalls await.

Balneario Camporiu, Brazil

Known for its stunning beaches, vibrant nightlife, and lush green hills, Balneario del Camboriu could be considered a mini Rio de Janeiro. With oodles of urban flair and samba on every street corner, Balneario Camporiu is Brazil, condensed. The city's main attraction is its beautiful coastline, with stretches of sandy beaches lapped by crystal clear waters.

Montevideo, Uruguay

Uruguay's cultural, political, and economic epicenter is filled with markets, museums, monuments, and beautiful architecture. Life in the city revolves around the Plaza de la Independencia, which is your gateway to Ciudad Vieja (the old town) with art deco buildings and colonial homes. If you build up an appetite from walking around this inviting city, stop in at any of the many steakhouses in the old port; Argentina is famous for its high quality, tasty beef.

Buenos Aires, Argentina

With architecture that blends the old world with the new, there's always a jaw-dropping facade or building to catch your eye. The city's streets dazzle with a multitude of sites and sounds, from bustling public markets and street performers dancing the city's famous tango, to graffiti artists and live plays and productions. Stroll through the streets and drink in the atmosphere of this passionate, beautiful city.
