About Jacklyn & Cristyan

Jacklyn Shapiro

Jacklyn began her dance training at the age of 12 in the Russian community at Universal Dancesport Center, where she became enamored with the art of Ballroom dance. Her instant love for dance and performance led her to become a competitive Ballroom and Latin dancer for ten years.

After her competitive stage, she knew her profession lay in sharing her passion with others. Jacklyn continues to teach Ballroom dance while focusing mainly on the art of Argentine Tango. For Jacklyn, Tango has been an eye-opening experience giving her the opportunity to bring all of the elements together: the sensuality, connection, and the desire to express the inner-self. Not long after taking her first Tango steps, Jacklyn realized this dance offers something unique. The ability to dance from the heart, be yourself, and feel as though no one is watching.

Cristyan Quiroz

Cristyan Quiroz is an established international dancer and choreographer. He directs Taborda Dance Company and is the founding director of the Pa'Corrientes adult ballet company. He started dancing at the age of 12 studying Argentinian folk dance, Argentine Tango, and contemporary dance. His dance work experience includes dancing and choreographing for international dance companies, tv programs, and judging international festivals & competitions.

Today, Jacklyn and Cristyan take every opportunity to learn from each other, maintain an open mind, and grow together as they continue on their tango journey. They also love to perform, teach and entertain using their versatile skills to showcase all of the different styles tango has to offer. With each passing day, they aspire to become more versatile dancers, and most importantly stay true to what Tango is at its core: Love, Passion, Creation, and a form of Expression.
